Cricket pavilion

From the M40 Junction 5:
Follow signs for Ibstone (from the North-West turn right, from the South-West turn left). Shortly after entering Ibstone (40mph limit, approximately a mile from the motorway) you pass the Fox at Ibstone pub on the left and then the common/cricket field on the right. Look for the cricket pavilion on the right. At this small crossroads, (signposted Grays Lane to the right & red telephone box on the left), **turn left** down the farm track. At the end of track, there is a yard and we are in the converted barn building opposite you (left-hand side door).
